10:30 AM

Enjoy a morning hike throughout **Charleston Falls Preserve**, a must see park in Miami County with over 216 acres of prairie and forests. This is the perfect place to get away from it all and enjoy nature and wildlife. Follow the trails to a breathtaking view of the waterfall for a perfect photo op. The Falls can be rightly called a "Miniature Niagara" due to its likeness. For further information, call the Miami County Visitors & Convention Bureau at 800-348-8993 or visit their website. Downtown Tipp City offers fabulous specialty store shopping with an eclectic assortment of treasures. Allow a couple of hours to fully appreciate the charming shops of "Historic Tippecanoe." The majority of the Main Street shops and businesses are housed in many original structures from the past, lending a historic atmosphere. Some of the shops you may be visiting include The Hotel Gallery, formerly a 3-story hotel which contains beautiful pottery and batiks plus two additional floors of work by local artists, Living Simply Soap, Scratch Bakery, Merchant 31 and more. And, if your battery needs to be recharged, you can enjoy a cup of coffee from Grounds For Pleasure. Visit our shopping page for more information. Treat yourselves to an afternoon drink. Right in downtown Tipp City is **Chaffee's Brewhouse**. This brand new establishment serves everything from craft beers, cocktails, wine and a light menu. If you're more of a whiskey person, **Indian Creek Distillery** is the perfect place. Sample a unique early American frontier whiskey or choose to do a tour and tasting. Thinking more along the lines of a brewery? **Moeller Brew Barn** in Troy is a hit to relax with a cold craft beer and admire the architecture of this old church-turned-brewery. Or if wine is more of your speed, **Old Mason Winery** in West Milton or the new **Twenty One Barrels Cider & Winery** in Bradford are sure to have wines and hard ciders that will have you asking for a second glass.
