10:30am

Explore **Charleston Falls Preserve**, a must-see park with over 216-acres of prairie and forest. This is the perfect place to get away from it all and enjoy nature and wildlife. Follow the trails to a breathtaking view of the waterfall for a perfect photo op. The Falls can be rightly called a "Miniature Niagara" due to its likeness.

12pm

Grab a bite to eat in historic downtown Tipp City at one of their many local restaurants. With a wide variety of options, you'll be sure to have a hard time narrowing it down to just one. A complete list of restaurants can be found on the Miami County Visitors Bureau website.

1pm

After lunch, browse the fabulous specialty stores downtown Tipp City has. Allow a couple of hours to fully appreciate the charming shops of "Historic Tippecanoe." The majority of the Main Street shops and businesses are housed in many original structures from the past, lending a historic atmosphere. A complete list of shops can be found on the Miami County Visitors Bureau website.

3pm

Treat yourselves to an afternoon drink. Right in downtown Tipp City is the county's newest establishment, **Chaffee's Brewhouse**. They serve everything from craft beers, cocktails, wine and a light menu. If you're more of a whiskey person, **Indian Creek Distillery** is the perfect spot. Sample a unique early American frontier whiskey or choose to do a tour and tasting. Thinking more along the lines of a brewery? **Moeller Brew Barn** in Troy is a hit to relax with a cold beer and admire the architecture of this old church-turned-brewery. Or if wine is more of your speed, **Old Mason Winery** in West Milton or the new **Twenty One Barrels Cidery & Winery** in Bradford are sure to have wines and hard ciders that will have you asking for a second glass.

Some of these include **The Caroline** or **Basil's on Market** in Troy. **311 Drafthouse** is a delicious option for a more relaxed atmosphere in Piqua. Or, if you remained in Tipp City, **Harrison's** and **Coldwater Cafe** are always fan favorites. A complete list of restaurants can be found on the Miami County Visitors Bureau website.
